

Moving Ventures School presents

THE ART OF ESSENTIAL TOUCH

ESALEN[®] MASSAGE CERTIFICATION MARCH 13 - APRIL 9, 2010

We invite you to join us for a four week journey into the transformative world of touch, in the magical land of Bali. Our residential training will take place at The Ananda (bliss), nestled amidst the rice fields and jungles of Ubud, and Mimpi Menjangan, a natural hot springs retreat on the quiet north central coast beside the Java Straits. Our Wantilans (meeting rooms) were designed specifically for our retreats & trainings, so we can be "in the world and not of it." Surrounded by the music of the natural world, in the privacy of our own temple, we'll immerse ourselves in learning the healing art forms of Esalen[®] Massage, Essential Touch, and how our bodies are made and move.
